

# RIDER GUIDE

[transit.ecu.edu](http://transit.ecu.edu)  
(252) 328-4724

BusTime® is a website that you can visit to locate your bus and know when it will arrive at the nearest bus stop. Visit [bustime.ecu.edu](http://bustime.ecu.edu) on your computer or mobile device to begin seeing your bus in real-time. By creating an account you can access service alerts and stop time notifications. BusTime® will allow you to see upcoming vehicle passenger load seating occupancy as low, medium or high.

Arrive at the nearest bus stop location at least two minutes before the estimated stop time, to ensure you don't miss the bus.

*Please note: estimated stop times are only available for vehicles arriving within 30 minutes.*

### Estimated stop times

Delays may occur due to but not limited to detours, traffic incidents, construction, weather or equipment problems which may affect the accuracy of the estimated stop times.

If your bus is delayed, BusTime® will adjust the estimated stop times accordingly. For example, if the bus is estimated to arrive in 10 minutes but is delayed by an incident, the estimated stop time will remain at 10 minutes until the vehicle begins moving again.

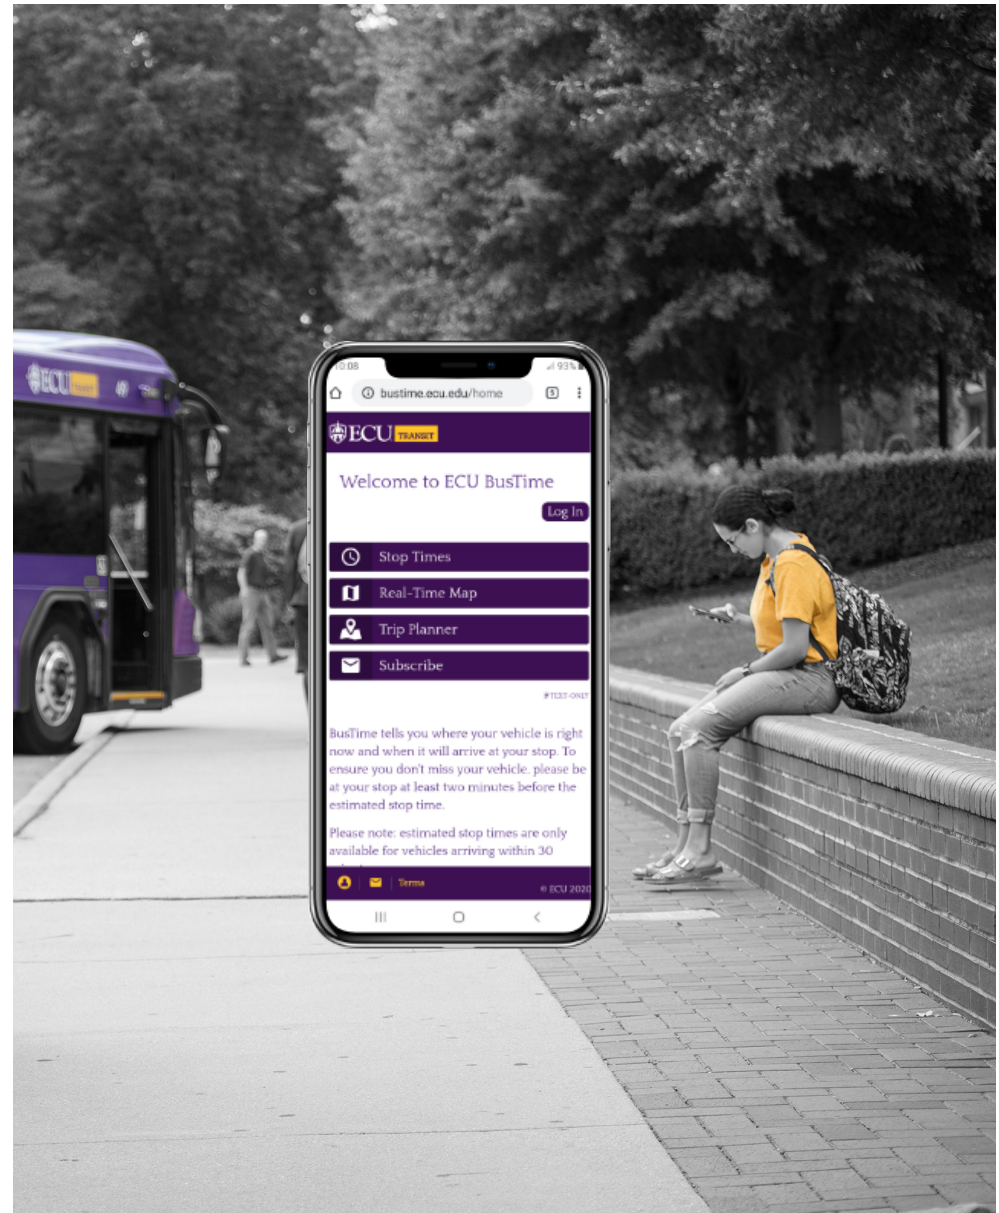

In the event that a vehicle stops transmitting data to the servers, it will not appear on the website, even though it is in service.

### How to track your bus

Scan the QR code on the signs located at many of our designated bus stops to access BusTime®, select "Stop Times", and enter the stop number found at the bottom of the sign. The ID number will show all routes serving that location. If you have a specific route you can choose the route from the drop down box.

## BUS STOP

# SafeRide

SafeRide is a point-to-point, on-demand van service which works to help ensure safe travel around campus and adjacent areas at night after most regular daytime service has ended. It also operates in conjunction with the bus system to connect you with evening bus routes for travel away from campus. Schedule a ride by using the TransLōc® app. For scheduling issues, call 252-328-7433 and speak with a dispatcher for assistance. Please note: dispatchers cannot schedule rides which duplicate currently operating bus service. An ECU 1 Card is required (two guest per valid ID).

## How to Ride with SafeRide

Download the TransLōc® App. The app gives the user the ability to:

- Schedule rides
- Cancel rides
- Track assigned vehicle

**Note:** dispatchers cannot schedule trips that would duplicate a bus route that is currently in service.

### Service Area

Vans operate to service areas around main campus, Health Sciences Campus and other outlying ECU properties. Trips to and from residential areas and shopping locations may be granted within a mile of our shaded service area locations. *For special booking requests, please contact our office at 252-328-7433.*

### Service Schedule

SafeRide operates while classes are in session; any exceptions are included in the service calendar online. Normal operating hours are:

**Monday – Friday: 7:00am – 11:00pm**  
**Saturday & Sunday: 10:00am – 11:00pm**

powered by  TransLōc®

# System-Wide Stop List

## Alphabetical Listing of Stops

Hubs are the primary campus locations at which multiple routes wait between trips until their next scheduled departure time. Locations which do not receive night service are indicated by “—” below.

## Dedicated & Combination Service Blocks

Service for each day is broken into multiple blocks which operate on different schedules to adapt to our riders' needs. Earlier in the day, buses provide more frequent service to a single route when service is needed most for peak class times. Later, buses come less frequently and may combine multiple routes into a single bus during off-peak periods. When routes combine, the route number and name displayed on each bus and schedule block will also change.

## Reduced Service and Service Suspension

Due to COVID-19, service has been reduced to essential routes. Locations that are affected by these changes may be served by SafeRide service, which operates Monday - Friday 7:00am to 11:00pm and on Saturday and Sundays 10:00am to 11:00pm. Please schedule your SafeRide via the 'TransLōc' app and if you have any questions, contact our dispatchers at (252) 328-7433. The safety of our customers is important to us. As we practice social distancing, keep in mind you may need to ride an earlier bus or schedule a SafeRide earlier than normal to arrive at your destination on time.

## Departure Time Points

Locations in bold with an astrick (\*) are considered time points. Time points are stops along the route that have a set time for the vehicle to depart. Other locations listed are not considered to be time points and have approximate departure times. Remember to arrive early to your pickup location to ensure that you arrive at your destination on time. Track your bus by downloading the NextBus™ app or visiting BusTime® for real-time tracking and passenger load.

# Purple

## Dedicated Service Schedule

Service for this route is dedicated throughout the day and does not normally combine with any other route. Where stops are labeled as “outbound” or “inbound” in the schedule above, this indicates the bus will stop twice at the same location. The “outbound” stop is made while the bus is traveling away from campus whereas the “inbound” stop is made on its return trip to campus. These stops are typically located across the street from each other.

## Night Service: SafeRide

SafeRide is a point-to-point, on-demand van service which works to help ensure safe travel around campus and adjacent areas at night after most regular daytime service has ended. It also operates in conjunction with the bus system to connect you with evening bus routes for travel away from campus. Schedule a ride by using the TransLōc® app. For scheduling issues, call 252-328-7433 and speak with a dispatcher for assistance. Please note: dispatchers cannot schedule rides which duplicate currently operating bus service. An ECU 1 Card is required (two guest per valid ID).

# 33 East

## Dedicated & Combination Service Blocks

Service for each day is broken into multiple blocks which operate on different schedules to adapt to our riders' needs. Earlier in the day, buses provide more frequent service to a single route when service is needed most for peak class times. Later, buses come less frequently and may combine multiple routes into a single bus during off-peak periods. When routes combine, the route number and name displayed on each bus and schedule block will also change.

## Reduced Service and Service Suspension

Due to COVID-19, service has been reduced to essential routes. Locations that are affected by these changes may be served by SafeRide service, which operates Monday - Friday 7:00am to 11:00pm and on Saturday and Sundays 10:00am to 11:00pm. Please schedule your SafeRide via the TransLōc® app and if you have any questions, contact our dispatchers at (252) 328-7433. The safety of our customers is important to us. As we practice social distancing, keep in mind you may need to ride an earlier bus or schedule a SafeRide earlier than normal to arrive at your destination on time.

## Departure Time Points

Locations in bold with an astrick (\*) are considered time points. Time points are stops along the route that have a set time for the vehicle to depart. Other locations listed are not considered to be time points and have approximate departure times. Remember to arrive early to your pickup location to ensure that you arrive at your destination on time. Track your bus by downloading the NextBus™ app or visiting BusTime® for real-time tracking and passenger load.

10	College Hill (East)	:20	:35	:50	:05
11	Christenbury Gym	:23	:38	:53	:08

## Reduced Service and Service Suspension

Due to COVID-19, service has been reduced to essential routes. Locations that are affected by these changes may be served by SafeRide service, which operates Monday - Friday 7:00am to 11:00pm and on Saturday and Sundays 10:00am to 11:00pm. Please schedule your SafeRide via the TransLōc® app and if you have any questions, contact our dispatchers at (252) 328-7433. The safety of our customers is important to us. As we practice social distancing, keep in mind you may need to ride an earlier bus or schedule a SafeRide earlier than normal to arrive at your destination on time.

## Night Service: 850 Gold

Once regular daytime service has ended, riders can still travel to and from campus for night classes, on-campus events, and other needs. See this route's individual schedule above for more details.

# 800-Series • Night Combinations

## About Night Service Options

ECU Transit offers a variety of transportation options for our riders who want to travel to, from, and around campus for night classes, on-campus events, or other needs. These shuttles, which cover nearly all regular daytime stops, operate to help ensure safe travel at night; see individual schedules for details on locations served. For more information on personal safety, please visit [www.ecu.edu/police](http://www.ecu.edu/police).

## Campus-Only Night Shuttle: 850 Gold

For service geared more toward serving main campus, see route 850 Gold. This route focuses on major on-campus locations while connecting riders to College Hill and outlying parking areas.

## Other Locations Served By SafeRide

ECU Transit's point-to-point, demand-response van service designed to enhance safe travel at night operates Monday – Friday, 6:00pm – 11:00pm and Saturday & Sunday, 10:00am – 11:00pm. Use the TransLōc® mobile app or call 252-328-7433 to request a ride. Visit [transit.ecu.edu/saferide](http://transit.ecu.edu/saferide) for more details.

## Reduced Service and Service Suspension

Due to COVID-19, service has been reduced to essential routes. Locations that are affected by these changes may be served by SafeRide service, which operates Monday - Friday 6:00pm to 11:00pm and on Saturday and Sundays 10:00am to 11:00pm. Please schedule your SafeRide via the TransLōc® app and if you have any questions, contact our dispatchers at (252) 328-7433. The safety of our customers is important to us. As we practice social distancing, keep in mind you may need to ride an earlier bus or schedule a SafeRide earlier than normal to arrive at your destination on time.

## Night Service: SafeRide

SafeRide is a point-to-point, on-demand van service which works to help ensure safe travel around campus and adjacent areas at night after most regular daytime service has ended. It also operates in conjunction with the bus system to connect you with evening bus routes for travel away from campus. Schedule a ride by using the TransLōc® app. For scheduling issues, call 252-328-7433 and speak with a dispatcher for assistance. Please note: dispatchers cannot schedule rides which duplicate currently operating bus service. An ECU 1 Card is required (two guest per valid ID).
