# 300-Series • Campus-Oriented Services

## **Campus-Oriented Services**

The 300-series routes operate primarily to support main campus and its residents while connecting to the Health Sciences Campus. Evening and late night service to many of these stops is provided by SafeRide; see their schedule below for details.

| 302             | 302 • Health Sciences                        |                    |  |  |  |  |  |

#### Reduced Service and Service Suspension

Due to COVID-19, service has been reduced to essential routes. Locations that are affected by these changes may be served by SafeRide service, which operates Monday - Friday 7:00am to 11:00pm and on Saturday and Sundays 10:00am to 11:00pm. Please schedule your SafeRide via the TransLōc® app and if you have any questions, contact our dispatchers at (252) 328-7433. The safety of our customers is important to us. As we practice social distancing, keep in mind you may need to ride an earlier bus or schedule a SafeRide earlier than normal to arrive at your destination on time.

### **Departure Time Points**

Locations in bold with an astrick (\*) are considered time points. Time points are stops along the route that have a set time for the vehicle to depart. Other locations listed are not considered to be time points and have approximate departure times. Remember to arrive early to your pickup location to ensure that you arrive at your destination on time. Track your bus by downloading the NextBus<sup>TM</sup> app or visiting BusTime® for real-time tracking and passenger load.

#### Night Service: SafeRide

SafeRide is a point-to-point, on-demand van service which works to help ensure safe travel around campus and adjacent areas at night after most regular daytime service has ended. It also operates in conjunction with the bus system to connect you with evening bus routes for travel away from campus. Schedule a ride by using the TransLōc® app. For scheduling issues, call 252-328-7433 and speak with a dispatcher for assistance. Please note: dispatchers cannot schedule rides which duplicate currently operating bus service. An ECU 1 Card is required (two guest per valid ID).
