Connections & Transfers
ECU Transit provides routes which can connect commuter students from outlying parking areas back to main campus, or even help riders move between main campus and the health sciences campus. For transfers which require moving from one campus hub to another, a circulator shuttle loops around main campus to connect routes staged in different locations.

Shopping Center Route

307 • Walmart
Saturday & Sunday .................................................... 12:30pm – 6:30pm Last trip departs campus ........................................... 5:45pm every 45 minutes

After Hours On-Demand Service
Transit On-Demand is a point-to-point, van service which works to help ensure safe travel around campus and adjacent areas. Schedule your Transit On-Demand ride via the TransLoc® app and if you have any questions, contact our dispatchers at (252) 328-7433. Keep in mind traffic and other unforeseen issues may arise, so you may need to schedule your ride well in advance to ensure you arrive at your destination on time. An ECU 1 Card is required to ride the service (two guests per valid ID). Please note: dispatchers cannot schedule rides which duplicate currently operating bus service. In the event of an emergency, please dial 911.
