What is ECU Transit?

ECU Transit is the university's transit system that serves students, faculty, and visitors via fixed routes and on-demand services. Fixed Route and on-demand services are free to ride. Transit services are catered to make getting around campus easier. ECU Transit is operated predominantly by over 100 students. If you are a student, seeking part-time employment and are interested in working with us, please visit our website at transit.ecu.edu.

Fixed Routes

Our fixed routes are our general day-to-day bus services that serve many on and off campus locations. Fixed routes connect On-Campus Living locations and Off-Campus Student Living complexes with classes, dining, and shuttles for our park and ride lots. Fixed routes also connect Main Campus with the Health Sciences Campus.

ECU Transit services are free to ride. Most of our on-campus locations have designated bus shelters to wait under until the bus arrives. Enter in the front door of the bus and exit through the rear door. Always arrive to your stop a few minutes early to allow for traffic conditions. Do not wait until the last bus before your class time; we recommend you ride about 45 minutes early to make sure you arrive on time.

Transit On-Demand

Our on-demand van service operates point-to-point and serves a variety of locations including: the ECU Proctoring Center, shopping centers, Pitt-Greenville Airport, and Off-Campus housing once bus route has ended for the day. This service is fare-free but the rider will need to provide a tangible and valid ECU 1 Card to the driver. Feel free to bring a friend; each student with a valid ECU 1 Card is allowed up to 2 guests. Read more about our on-demand service on page 8.

Pirate Access

Pirate Access is available to any student, faculty, staff, and visitor who has a permanent or temporary disability. It is a part of the Transit On-Demand service that assists riders who have difficulty accessing locations around campus. Anyone who needs the service are asked to apply on the Transit website (transit.ecu.edu) under the drop-down menu *Services*. The application process must be completed before the rider can begin scheduling trips. Please visit our website or contact us for more details.

How to Ride with ECU Transit?

Sometimes the process of learning to use a transit system like ours can be a bit daunting. Our system is oriented around the university, with the vast majority of our ridership being students going to or from class. Start by familiarizing yourself with our routes; this will help you get acquainted not only with our system, but different areas of town as well. Some people prefer a more adventurous approach and will get on a bus just to see where it goes. Either way, you're sure to see something new. Below are several of our tips for getting around and rider policies designed with everyone's safety in mind.

Several options are available for riders who wish to use our system for getting to, from, or around campus. If you need help planning your trip, simply give us a call and a telecommunicator will be happy to help.

Ride directly from served apartments

Several routes operate to serve off-campus apartment complexes which have chosen to partner with ECU Transit for bus service directly to the property.

Walk to a nearby stop

Although the bus may not come right to your front door, many stops are located within easy walking distance of popular student housing options. A list of stops and the routes which serve them is available in this guide.

Disclaimer

While the information provided in this guide has been verified to the best of our abilities, we cannot guarantee that there are no errors or mistakes. The guide contains time estimates for departure and service hours, however, the actual times may vary due to traffic, road conditions, and other unforeseen factors. We recommend that customers arrive at least 5 minutes prior to departure times listed in the guide. If possible, take an earlier bus to avoid peak time delays or overcrowding. We reserve the right to change the information provided within this guide at any time with notice. To stay up to date with our latest changes, visit our website and/or follow us on our social media sites.

Airport Shuttle Services

Our airport shuttles provide trips for students, staff, faculty, and family members traveling as their guests to and from Raleigh-Durham International Airport (RDU) and Pitt-Greenville Airport (PGV).

University Break Shuttle

This shuttle operates on a predetermined schedule to accommodate transportation to and from RDU before and during select academic breaks. Although subject to change, any schedules provided on our website are believed to be final. On-Demand Airport Shuttle tickets to RDU can also be purchased at any time outside of the predetermined schedule at a premium rate. On-Demand Airport Shuttle rides must be requested at least 1 week in advance.

Riding the RDU Shuttle

Once tickets are purchased, using the RDU Shuttle is a pretty simple process. Please keep in mind ECU Transit's Rider Policies when using the shuttle. There are a few additional things you can do to help your trip go smoothly:

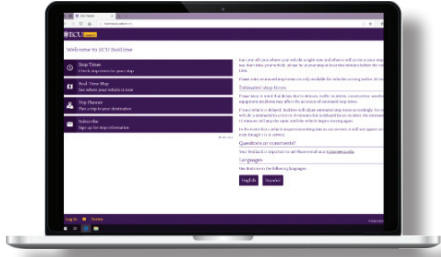

- Arrive a few minutes early to your pick-up location when possible.
- Bring a valid student photo ID; the shuttle operator will need them for verification. Keep these items handy in a backpack, purse, or other carry-on bag in case of a problem with your luggage.
- Store your luggage in the vehicle securely where it is unlikely to shift around.

While at RDU, the shuttle is not permitted to sit at any location longer than five minutes. Help us comply with this requirement by boarding and exiting quickly. The operator may need to make multiple passes through RDU to accommodate all riders.

PGV Shuttle

This service is provided in coordination with our Transit On-Demand services for trips to and from PGV Airport. All rides during normal operating hours between 7:00am and 1:15am Monday through Friday; 10:00am and 1:15am Saturday & Sunday are available to students, staff, and faculty at no additional cost. Any trip requests outside our normal operating hours will be required to submit a request 1 week in advance and must purchase a ticket at our online ECU Transit Purchasing Center. For more information, contact our office at 252-328-4724.

BusTime® is a website that you can visit to locate your bus and know when it will arrive at the nearest bus stop. Visit bustime.ecu.edu on your computer or mobile device to begin seeing your bus in real-time. By creating an account you can access service alerts and stop time notifications. BusTime® will allow you to see upcoming vehicle passenger load seating occupancy as low, medium or high.

Arrive at the nearest bus stop location at least five minutes before the estimated departure time, to ensure you don't miss the bus.

Please note: estimated departure times are only available for vehicles arriving within 30 minutes.

Estimated departure times

Delays may occur due to but not limited to detours, traffic incidents, construction, weather or equipment problems which may affect the accuracy of the estimated departure times.

If your bus is delayed, BusTime® will adjust the estimated departure times accordingly. For example, if the bus is estimated to arrive in 10 minutes but is delayed by an incident, the estimated departure time will remain at 10 minutes until the vehicle begins moving again.

In the event that a vehicle stops transmitting data to the servers, it will not appear on the website, even though it is in service.

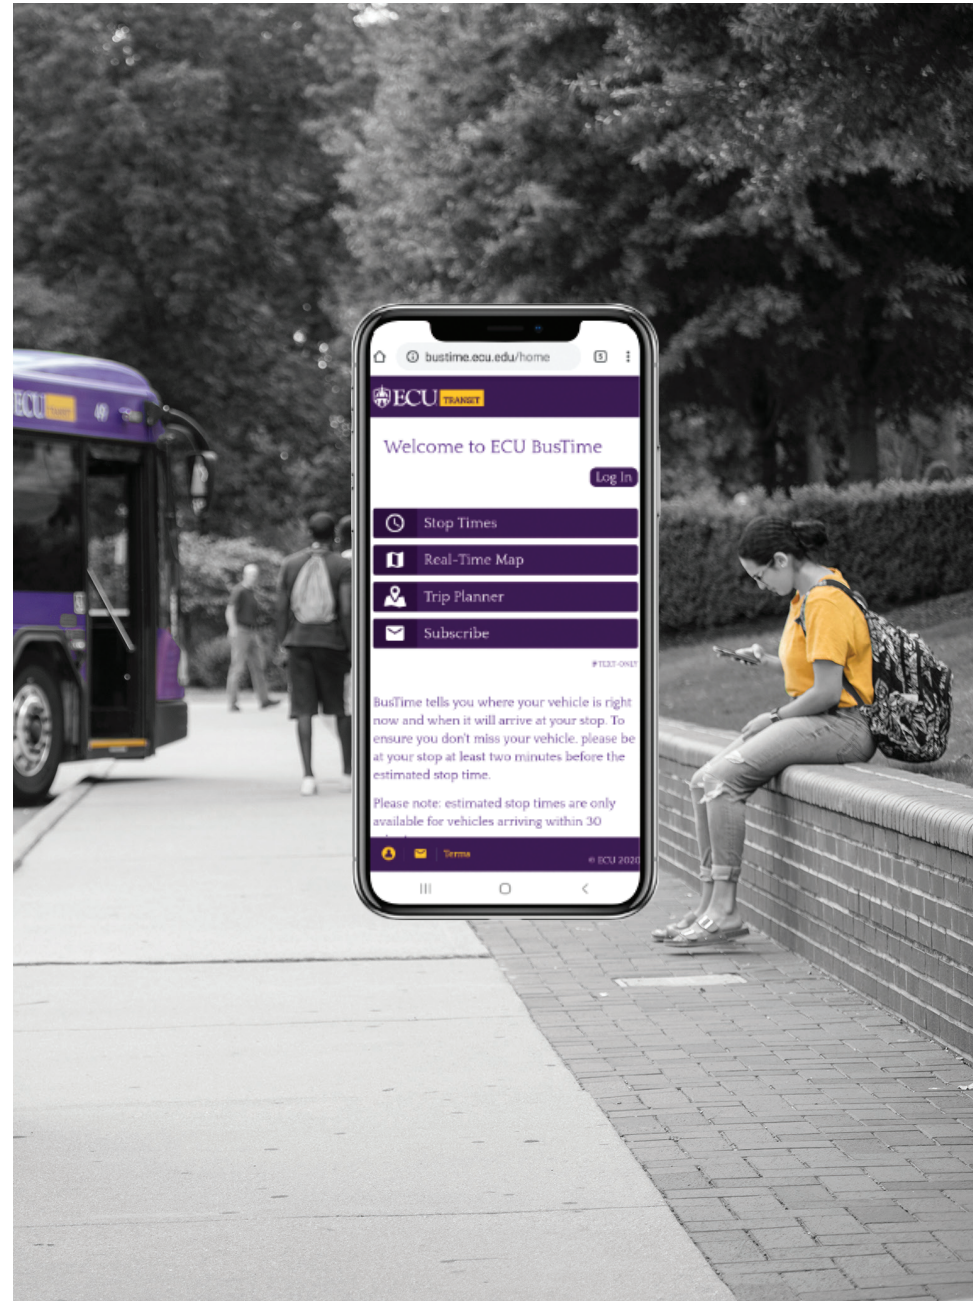

BUS STOP

How to track your bus

Scan the QR code on the signs located at many of our designated bus stops to access BusTime®, select "Stop Times", and enter the stop number found at the bottom of the sign. The ID number will show all routes serving that location. If you have a specific route you can choose the route from the drop down box.

Transit On-Demand

Our Mission

Transit On-Demand is a point-to-point van service which serves ECU campuses and adjacent areas. Our service provides students, staff, faculty, and visitors with a fare-free method of transportation which operates mainly in the evening and on weekends.

Ways to Schedule a Ride

1. TransLōc® App
2. Online (ondemand.transloc.com)
3. Call us at (252) 328-7433 or (252) ECU-RIDE

Transit On-Demand Serves:

- ECU Proctoring Center
- Greenville Centre
- Greenville Mall
- Health Sciences Campus
- Main Campus
- Pitt Greenville (PGV) Airport
- Publix
- Target
- Walmart

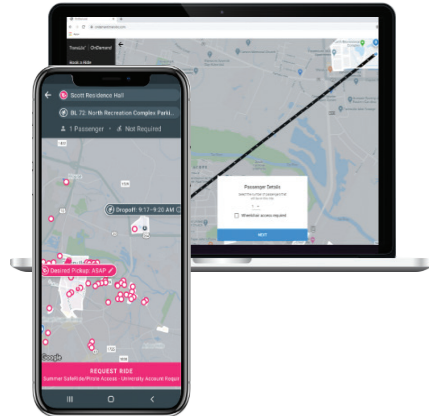

Safe Ride Home

Weekday night service will take you home from 6:30pm to 1:00am. Look for Safe Ride Home service when booking your ride on TransLōc®.

- **Pick Up Only:** Main Campus Student Center & Speight Express Zones
- **Drop-Off Only:** Pirates Cove, Brown Route, Carolina Creek, Copper Beech, Purple Route, The Voyager, The Horizon, and The Landing

Express Zones & Blue Light Phones

Help us find you easily by scheduling a trip from one of our designated Express Zones or blue light phone locations. There are over 100 blue light locations. More information can be found on our website.

Hours of Operation

Weekday Service

Serves Express Zones, ECU Proctoring Center, and PGV Airport

Monday - Friday
7:00am - 6:30pm

Weeknight Service

2-way service available in the shaded service area, Walmart, Target, and SafeRide Home from Campus

Monday - Friday
6:30pm - 1:00am

Weekend Service

Saturday & Sunday
10:00am - 1:00am

Any deviations from this schedule for holidays or other ECU closures will be posted to the ECU Transit service calendar found here: <https://transit.ecu.edu/i-want-to/view-service-calendar/>

Tips for Riding On-Demand

We have listed some helpful tips below to help you navigate our Transit On-Demand service:

- In the event of an emergency, please dial 911.
- Service is limited to the service area at all times (shaded zones).
- Once the ride is scheduled, the operator cannot deviate from original request.
- Students, staff, and faculty are limited to 4 rides per night.
- Each student, staff or faculty member is required to have a valid ECU 1 Card and be able to present it to the On-Demand operator.
- Each ECU student, staff or faculty member is allowed two guests.
- If your destination is currently being served by a bus route, On-Demand can take you to a campus location to connect with the appropriate route. If possible, we recommend the bus.
- On-Demand reserves the right to refuse service in any case where it is determined the service is being abused (e.g., multiple rides to a particular location hosting a party).
- Smoking and alcohol, whether open or closed, are prohibited aboard all On-Demand vehicles.
- Disruptive behavior which threatens the safety of customers or On-Demand employee will result in police involvement; At all times Transit On-Demand operators have direct communication with the ECU Police Department.
- Bags are provided for anyone who is feeling nauseous. Any mishaps due to intoxication while in the van may result in a campus appearance ticket and being barred from On-Demand.
- Once a van arrives at your location, the driver will wait three minutes before canceling. After your ride has been canceled, your ride will be considered as a no-show and the van will move on to pick up other customers. If you call back once the ride is deemed a no-show, then your ride may be placed at the end of the queue. As a courtesy to other customers waiting on Transit On-Demand, please remember to cancel your trip as needed.

Departure Time Points

Locations in bold with an astrick (*) are considered time points. Time points are stops along the route that have a set time for the vehicle to depart. Other locations listed are not considered to be time points and have approximate departure times. Remember to arrive early to your pickup location to ensure that you arrive at your destination on time. Track your bus by visiting BusTime[®] for real-time tracking and passenger load.

After Hours On-Demand Service

Transit On-Demand is a point-to-point, van service which works to help ensure safe travel around campus and adjacent areas. Schedule your Transit On-Demand ride via the TransLōc[®] app and if you have any questions, contact our dispatchers at (252) 328-7433. Keep in mind traffic and other unforeseen issues may arise, so you may need to schedule your ride well in advance to ensure you arrive at your destination on time. An ECU 1 Card is required to ride the service (two guests per valid ID).

In the event of an emergency, please dial 911.

Track Your Bus

302 • Health Sciences

Departure Times

Disclaimer

While the information provided in this guide has been verified to the best of our abilities, we cannot guarantee that there are no errors or mistakes. The guide contains time estimates for departure and service hours, however, the actual times may vary due to traffic, road conditions, and other unforeseen factors. We recommend that customers arrive at least 5 minutes prior to departure times listed in the guide. If possible, take an earlier bus to avoid peak time delays or overcrowding. We reserve the right to change the information provided within this guide at any time with notice. To stay up to date with our latest changes, visit our website and/or follow us on our social media sites.

Reading Bus Stop Signs

Frequently Asked Questions

Learning to use a transit system can sometimes be a daunting experience and raise a lot of questions about how to get around. A few of our most common questions have been addressed here and we are working on adding additional questions. If you have other questions or need additional information, please contact us so we can assist you.

Who can ride with ECU Transit?

Services are open to the ECU community. Visitors to the university are permitted for academic or business purposes, or on designated chartered buses for special events.

How can I tell where this bus goes?

All buses are equipped with exterior destination signs which display the route name on the front, curb side, and rear. Additionally, the side destination sign continuously scrolls through a list of stops associated with a particular route. If you are ever unsure whether a bus serves the stop you are interested in, please ask the operator and he or she will be able to guide you to the right bus.

For a wider view of our service area, take a look at our system maps. Even if your location is not served directly, you may be able to use these maps to better plan your trip to a nearby location.

Where can I park to catch the bus?

Commuter shuttles serve the lower lot of Minges Coliseum at the intersection of Charles Boulevard and Ficklen Drive. An additional stop is made further up Ficklen Drive at the Gold Lot. D-Zone parking permit holders can also board the bus at the Curry Court parking lot adjacent to the Carol D. Belk Building. For details on parking locations, please visit ECU Parking & Transportation's website.
